2018

**Carole Adams & Paul Hamilton are
tin snail design photography**

This year, 2018, we are celebrating
twenty years in the 'wedding business'
as wedding photographers.

We have photographed many fantastic
weddings over the years from intimate &
quirky, in stately homes & castles, one in
Australia and even Elvis came to entertain!
We have put a selection of these weddings
on our website gallery page.

*In 2011, we began a series of digital
camera & digital imaging training courses,
for the amateur & professional, please
see our website for upcoming courses.*

With wedding packages starting from
£500, if you would like us to photograph
your wedding, please fill in the booking
form, cut or tear the side off and send it
to us with your deposit for £100,
please email us for our address.
You will receive a scanned signed copy as
your receipt.

We really do enjoy photographing
weddings and fingers crossed we can
photograph yours!

Wishing you all the best for 2018

Carole & Paul
